

INSPIRING CITIZENS PARTICIPATION FOR ENHANCED COMMUNITY POLICING ACTIONS

Increasing transparency, trust and police accountability”

HOW? Reporting to the police by a simple **post, comment, photo or video** captured on mobile smart device.

Innovative approach to the concept of **community policing** by making **use of the trends** enabled by the introduction and wide adoption of social media.

“Old ways of policing have become outdated. Community policing is the new paradigm and it’s time to take it into the 21st century”

The **INSPEC²T** project’s scope is to develop a sustainable framework for community policing that effectively addresses and **promotes seamless collaboration between the police and the community.**

Real time two-way communication platform for citizens and police
