INSPEC²T in the European Security Research and Innovation event on June 1 -2, 2016 in The Hague, The Netherlands

INSPEC²T project was showcased during the European Commission's Security Research and Innovation event on June 1-2, 2016 in The Hague, The Netherlands.

The European Commission's [SRIE 2016](#) event took place on June 1 and 2, 2016 under the label of the Dutch EU Presidency, and was powered by The Hague Security Delta (HSD). SRIE2016 was an event where industry, governments and knowledge institutions come together to discuss the latest security challenges for Europe. HSD, The European Commission, ENLETS and 50 partners joined forces to make SRIE2016 successful.

The event was attended by 700 professionals from 30 countries. INSPEC²T was displayed in the [Innovation room](#) among 35 Innovations, of which 8 are funded by the European Commission. View the [infographic](#) of the event for even more facts & figures.

INSPEC²T project partners CGI and ADITESS hosted the INSPEC²T booth for the duration of the two-day event. Gohar Sargsyan from CGI and Elisavet Charalambous from ADITESS introduced the project to the numerous visitors interested in the project and innovative solution that INSPEC²T is offering. TNO and KEMEA also supported the INSPEC²T booth.
